July, 2023

Dear Parents and Guardians,

I would like to extend my heartfelt congratulations to our incredible students for successfully completing another school year. Their hard work, excitement, and dedication have been truly inspiring. Our students remained focused and rose to the challenge on having a successful school year. (Especially with the added stress of poor air quality the last few days of school). I am incredibly proud of their achievements, and I am confident that they will continue to excel in their educational journey. Special congratulations to the Class of 2023. On behalf of the West Deptford School District, we wish you good health, success and best wishes as you venture towards your next adventure.

As the new Superintendent, I want to assure you that I am fully dedicated to maintaining and enhancing the high standards of education that West Deptford School District is known for. I am committed to fostering a safe, inclusive, and supportive learning environment where each student can thrive academically, socially, and emotionally. Together with our talented and dedicated educators, staff, and administrators, I am eager to continue to implement innovative strategies and initiatives that will further enrich our students' educational experience.

In closing, I want to express my sincere appreciation for your ongoing support and partnership. Together, we can create a nurturing educational environment that prepares our students for success and empowers them to reach their full potential. I am excited to embark on this journey as your Superintendent and look forward to collaborating with you to ensure a bright future for our students.

Wishing you a restful and enjoyable summer.

Warm regards,

A handwritten signature in black ink, appearing to read "B. Gismondi". The signature is fluid and cursive.

Dr. Brian C. Gismondi, Superintendent of Schools
